**Clotilde** is a member of the Competition law and Regulatory practice.

Clotilde is active in all areas of competition law, with a particular focus on regulated sectors. She also assists market participants during legal proceedings before national and European courts and competition authorities.

#### Languages

French, English

#### Admission

Clotilde is a member of the Paris Bar and she is registered on the E-list of the Brussels Bar.

#### Education

Clotilde holds a bachelor's degree in Company Law and obtained a master's degree in International Commercial Law from the University of Montpellier in 2017. In 2018, she did an internship in London, within an international firm specialised in Private Enforcement. She also completed additional university degrees in Law of Obligations and in Domestic and International Litigation.

Before joining Strelia, Clotilde worked in big French and American law firms in Brussels.
